

# MOOG® Complete Knuckle Assembly

**Easy to Install – Saves up to 1.5 hours in time**

The new MOOG® Complete Knuckle Assembly is designed to make troublesome bearing replacement easier. The pre-assembled part eliminates the need for special tools or a press, resulting in easier installation and time savings of up to 50%.

In addition, it saves the time required to locate and source multiple parts.

**Pre-assembled unit includes application-specific, premium components:**
